

Fall 2011 Course!

History of Women's Leadership

History 495

The History of US Women's Leadership

Tuesdays 2:30-5:15pm

Exciting Class Projects and Assignments:

Purposeful leadership skill building, training, and class discussion.

Women in US History

Students will learn about women who have made great changes and advancements in our country's history

Women to Watch Biography Videos

Student groups will select, interview, and profile important women leaders in Nevada. Students can select women from any of the Arenas of Leadership, and will compete to be published in official WRIN publications!

Credits from HIST 495 can be applied to History and/or Leadership and Civic Engagement Major/Minors, and can be used as electives.
